

Process for meeting with the Pharmaceutical Industry

Requests to meet with any member of the West Hampshire Medicines Optimisation Team must be made by completing a meeting request form which can be downloaded from this website or by emailing linda.rashley1@nhs.net

(No appointments can be made directly with team members)

Completed forms will be reviewed by the Medicines Optimisation Team on a monthly basis and a decision made whether to offer an appointment or not

Linda Rashley will contact representatives to offer an appointment or advise that an appointment cannot be offered at this time
