

# Want to be in control of your care?

If you are paying for your own care, or are receiving Direct Payments or a personal health budget, hiring a Personal Assistant in Care can give you more freedom and choice than other care options.

- **You** decide who to employ
- **You** choose how many Personal Assistants in Care you need
- **You** set out what tasks you need assistance with
- **You** pick the days and times you need support

Personal Assistants in Care are people who you employ to support you to lead an independent and fulfilling life.

**Take control. Live your life the way you choose.**
